

A FRANK STATEMENT.

Mrs. R. C. Peterson, of Fairhaven.
Tells a Reporter of Her Recent
Illness and Cure.

(From the Herald, Fairhaven, Wash.)

Mrs. R. C. Peterson of Fairhaven, who has been for a number of years a sufferer from nervous prostration, rheumatism and female weaknesses, and who has lately entirely recovered therefrom, was called upon a few days ago by a Herald representative whose attention had been called to her case. In answer to an inquiry, Mrs. Peterson said: "Yes, I was a sufferer for many years from nervous attacks, rheumatism and other complaints. We, my husband and I, expended a large sum of money in visiting the celebrated doctors of Denver, Salt Lake City and San Francisco, but my relief in all cases was only temporary, and we had nearly despaired of my ever recovering my health, when, one day a friend advised Dr. Williams' Pink Pills, saying they had known of a case very similar to mine, where a wonderful cure had been effected by their use.

"Acting upon this advice, my husband purchased a supply of the Pink Pills, more to please my friend than from any belief in the medicine. However before they were half gone I felt a decided change for the better, and after using three vials was entirely recovered, and felt as well and strong as I ever did.

"Dr. Williams' Pink Pills have certainly been a wonderfully effective remedy for me, and I have no hesitancy in recommending them to any one who was affected as I was."

Dr. Williams' Pink Pills are not looked upon as a patent medicine, but rather as a prescription. An analysis of their properties shows that they contain in condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, aciation, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, pale and sallow complexions, and the tired feeling resulting from nervous prostration, all diseases resulting from vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness.

BEEF SUGAR.

A Montana Millionaire Going Into the
Business in California.

CHICAGO, Oct. 5.—A special from Butte, Mont., says:

W. A. Clark, the nine millionaire, Congressman and newspaper man of this city is about to erect an extensive beet sugar plant at Anaheim, Cal. It will be one of the largest of the kind in the world. It will cost more than \$400,000, and will grind 700 tons of beets daily, making 15,000 tons of sugar in the four months of the season. He is also considering the erection of a sugar factory in Montana, and supplying the State with home sugar which would take a plant of about 500 tons daily capacity.
